

Licensing Number **12707**

Licence Holder **Inivata Limited**

Licensed Premises **Inivata Limited**
The Glenn Berge Building
Babraham Research Campus
Babraham
Cambridge
CB22 3FH

Designated Individual **Miss Kirsten McLay**

This licence is granted under Section 16 (2) (e) (i) and (ii) of the Human Tissue Act 2004.

This licence authorises the storage of the body of a deceased person or relevant material which has come from a human body for use for the following scheduled purposes:

- Anatomical examination
- Establishing after a person's death the efficacy of any drug or other treatment administered to him
- Obtaining scientific or medical information about a living or deceased person which may be relevant to any other person (including a future person)
- Public display
- Research in connection with disorders, or the functioning, of the human body
- Education or training relating to human health
- Quality assurance

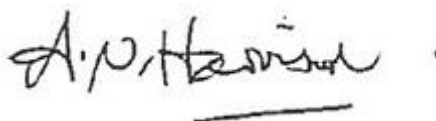

The licensed activity should be carried on only at the licensed premises specified above, and under the supervision of the Designated Individual.

This licence is subject to conditions set out in the Annexes accompanying this licence as may be subsequently varied pursuant to an application under paragraph 8 of Schedule 3 to the Human Tissue Act 2004.

This licence is valid from the date specified below and will remain in force until revoked.
